This features one of the 20 archetypes, including its description, compatibility with other archetypes, elemental dynamics, virtues, superpowers, weaknesses, power mission, and elemental balancing techniques.

Note: The book provides this same information, plus all 20 archetypes.

CUSTOM MANUAL

FOR TEAM BUILDING:

\$100 PER PERSON ON THE TEAM

This manual is specifically crafted to encompass all aspects of your team's dynamic, based on assessment results. It features the team's scatter chart, an evaluation of individual and collective strengths and weaknesses, elemental descriptions, individual archetype summaries, dynamics of individuals on the team, and guidance on aligning each element with the company's values and cultural norms.

POSTER OPTIONS

GENERAL ARCHETYPE POSTERS

\$100 (SET OF 6)

Each poster features an archetype with space below to inscribe team members' names. Additionally, it includes a communication 'key' for understanding interactions between the elements. While they're designed for high-resolution printing up to 24" x 36", they're adaptable to any size. These vibrant and engaging posters are perfect for livening up lunchrooms, hallways, and blank walls, ensuring the elemental spirit remains vibrant.

MOVIE-INSPIRED TEAM CUSTOM POSTERS

\$300 EACH

For all options, we provide a digital file printable up to 24" x 36". We recommend color printing and mounting on foam core.

A: A poster oriented either horizontally or vertically, showcasing team member names alongside their highlighted superpowers and elemental superheroes. Multiple variations available.

B: A pentagon-style layout poster that illustrates the elemental relationship dynamics of your team, prominently featuring each team member's name.
